EMAIL TRANSMISSION – 06/08/2018

To: Jon Raby, Acting Montana/Dakotas State Director  
From: Richard M Hotaling, Western Montana District Manager  
Subject: 72-Hour Preliminary Report

**THE FOLLOWING INFORMATION IS PRELIMINARY AND SUBJECT TO CHANGE**

Location: Kelly Creek near Pyramid Hill, West of Grant, Montana

Date of Occurrence: June 4, 2018

Time of Occurrence: Approximately 0940

Activity: Fuels Project Work

Number of Injuries: 1

Number of Fatalities: 0

Property Damage: (such as to vessels, equipment, and structures): None

Narrative: During a conifer encroachment thinning project, a log rolled down a steep incline and impacted a crewmember.

Following the accident, patient care was initiated immediately by an on-site emergency medical technician. The patient was traversed up to the top of the project area by crewmembers. The patient was then transported to an ambulance via an agency vehicle. The ambulance completed the transported of the patient to Barrett Memorial Hospital in Dillon, Montana.

The injured employee was released from the hospital later that day.

A Facilitated Learning Analysis (FLA) Team is assembled and working on the report.
