

Injury Vehicle Accident- 24 Hour Report

Idaho Department of Lands Injury Vehicle Accident, 24-Hour Report

On Wednesday, October 22, at 1230 hrs, an Idaho Department of Lands type 4, 750 gallon engine, rolled on State Highway 3, approximately 5 miles South of Deary, Idaho. The injured driver was transferred to Harbor View Hospital in Seattle where he is in stable condition with 2nd and 3rd degree burns over 30% of his body. There were no other passengers, injuries, or vehicles involved.

An accident investigation team, including an Idaho State Police investigator, and an IDL shop foreman, has been assigned.
