

Incident Name: Plumas Ash Pit Burn Injury (2019)

State: California

Date: 4/23/19

Incident Type: Firing Ops

Description of the Incident:

A firefighter fell into an ash pit while conducting a pile burning operation on the Plumas National Forest. She was treated by Forest Service EMTs and then transported via agency vehicle to a local hospital and then transferred to the UC Davis Burn Center. She was released to two weeks of light duty and follow-up examinations.
