Memorandum

To: JoAnn C. Koda, Acting Superintendent/Trust Services, Southern California
Agency, Bureau of Indian Affairs

From: Adrian Grayshield, Team Lead, Martinez 3 Facilitative Learning Analysis

Subject: 72-Hour Expanded Report, Martinez 3

Number and Type of Injuries:

One (1) firefighter sustained 2nd and 3rd degree circumferential burns to both legs below the knees.

Narrative:

The Martinez 3 Fire started on allotted land on the area of Torres Martinez Desert Cahuilla Indians on October 14, 2019. Resources responded to a wildfire burning in an area of heavy mulch. On October 17, 2019 the Bureau of Indian Affairs assumed command and continued suppression activity. On October 21, 2019, during suppression operations, a firefighter stepped in to an ash pit and received 2nd and 3rd degree circumferential burns to both legs below the knees. The injured firefighter was air lifted to the Arrowhead Burn Center in San Bernardino, California where they were treated and released later that evening.

Action Taken to Date:

On October 22, 2019, the Acting Superintendent (Agency Administrator) issued a delegation of authority to conduct a Facilitative Learning Analysis (FLA). The team lead arrived at the incident on October 22, 2019, and the remaining three team members arrived on October 23, 2019. A draft FLA was drafted for review by the involved parties. The FLA Team Lead will present a final FLA report to the Acting Superintendent (Agency Administrator) within two weeks of the delegation of authority.
