

Incident Name: Saber Fire Prescott IHC Member Medical Emergency (2019)

State: Arizona

Date: 8/16/19

Incident Type: Medical Emergency

Description of the Incident:

On the Saber Fire on the Coconino NF a Prescott Hotshot Crew member slipped and dislocated his shoulder trying to catch himself. Forest Service EMTs responded along with non-Forest Service EMTs. The Firefighter was then taken via ground ambulance to a hospital where the shoulder was re-positioned. The firefighter was released to light duty until cleared by an orthopedist.
